DoubleTree by Hilton London Hotel - Docklands Riverside

The Hotel on the River Thames offers stunning views of Canary Wharf. This former 17th century shipyard boasts exposed brickwork and the last dry dock in London for shipbuilding.

Parking

Car parking at the hotel is available for an additional fee.

Arrival by public transport

The riverside property offers its own complimentary river taxi for accessing Canary Wharf from its own pier. The river taxi to Canary Wharf Pier puts you in short walking distance to Canary Wharf tube and DLR Station.

For participants who wish to use the Canada Water tube and Overground station, the C10 public bus stops outside the hotel, which is announced and displayed as DoubleTree by Hilton London - Docklands Riverside.

4th International Lymphoedema Symposium

Multidisciplinary Management of Lymphoedema and Lipoedema

16th May 2020 · DoubleTree by Hilton London Docklands Riverside · London · England

Multidisciplinary Management of Lymphoedema and Lipoedema

Dear Sir or Madam,

We look forward to welcoming you to the 4th International Lymphoedema Symposium, where we have planned an interdisciplinary and interprofessional knowledge exchange on lymphological issues for you.

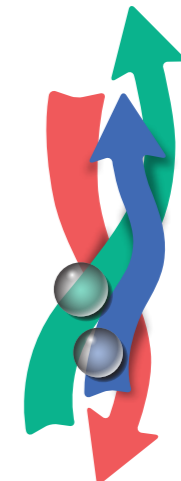

We are happy to introduce you to a varied programme. As part of our Symposium we will focus on causes of primary and secondary lymphoedema. We will cover the topics of diagnostic and imaging as well as optimal therapy and management of lymphoedema. In the course of the event best practice and cases will be discussed.

You can expect top-class speakers and practical demonstrations with a focus on medicine, therapy and ideal treatments. There will also be plenty of time for individual questions.

Let us use this platform to openly exchange ideas and update standards.

Sincerely yours,

Dr. Kristiana Gordon
Scientific Lead
